Cosmetic Surgery Cancelation Policy

We understand that life happens, and some situations may force you to cancel or postpone your surgery. Although some circumstances cannot be controlled, it is important to know that each procedure requires careful planning and coordination between our office, the surgery center, and the anesthesia provider. In light of this, Portland Plastic Surgery Group has a strict cosmetic surgery cancellation policy outlined below.

We require a non-refundable surgical deposit of $500.00 at the time of scheduling that will be applied to your physician's surgical fees. The remainder of your surgical fees will be due 4 weeks prior to your surgery date.

If you need to cancel your operation more than 30 days prior to your scheduled surgery, we permit a one-time courtesy rescheduling of your procedure. **Any additional rescheduling of your procedure will require an additional and non-refundable rescheduling fee of $125.00 to secure a new surgery date.**

If you cancel or reschedule 15 to 30 days prior to surgery, 100% of the surgeon's fee will be refunded or transferred ***minus*** the $500 deposit. This ***does not*** include fees for the facility or anesthesia provider.

If you cancel or reschedule 8 to 14 days prior to surgery, 75% of the surgeon's fee will be refunded or transferred. This ***does not*** include fees for the facility or anesthesia provider.

If you cancel or reschedule 3 to 7 days prior to surgery, 50% of the remaining surgeon's fee will be refunded or transferred. This ***does not*** include fees for the facility or anesthesia provider.

If you cancel or reschedule 48 hours or less, prior to surgery, 25% of the remaining surgeon's fee will be refunded or transferred. This ***does not*** include fees for the facility or anesthesia provider.

If your surgery is canceled on the day of your surgery by one of our surgeons and/or an anesthetist/anesthesiologist due to health-related issues or high-risk factors, refunds or the transfer of fees collected will be determined on a case-by-case basis.

If your surgery is canceled for reasons related to the use of tobacco, nicotine, and/or illicit drugs prior to surgery, you will not be eligible for a refund or transfer of any payments collected. In addition, in some cases, cancellation may result in additional fees related to staff, facility, and/or anesthesia, which must be paid in full prior to rescheduling your surgery.

By signing below, I acknowledge that I have read, understand, and agree to the Cosmetic Surgery Cancellation Policy outlined above.
